See Additional Available Inventory for Lending (on the website)

All equipment loaned will included all proper wires reasonably needed for your production, as long as they are available and owned by us at the time of lending.

All equipment and props loaned must be returned in the same condition in which they are lent. You are responsible for any stolen, damaged or abused equipment at full replacement cost. Normal wear and tear does not apply. You are warranting that a qualified individual will be using the equipment.

By signing this form you agree to the above terms and the equipment borrowed which is identified above.
